European Society for Gynaecological Endoscopy

ESGE

16TH ANNUAL CONGRESS

SEPTEMBER 5-8, 2007

PORTOROŽ, SLOVENIA

CONGRESS PRESIDENT → M. RIBIC-PUCELJ
PRESIDENT ESGE → G. B. MELIS

TOWARDS IDEAL SURGERY FOR WOMEN

WITH SPECIAL TOPICS ON
PRE- AND POST OPERATIVE HORMONAL TREATMENT

WITH THE PARTICIPATION OF THE ISGE

REGIONAL MEETING ON ADHESIONS

CONTENTS

SLOVENE SOCIETY

SS-01

Value of transvaginal hydrolaparoscopy in infertility evaluation

M. Reljič, V. Vlaisavljevič, V. Gavrič-Lovrec

Gynaecologic Clinic, University Clinical Centre Maribor, Maribor, Slovenia

SS-02

Office hysteroscopy in Slovenia

B. Žegura, I. But, I. Takač

Gynaecologic Clinic, University Clinical Centre Maribor, Maribor, Slovenia

SS-03

The value of hysteroscopy in the diagnosis of the cause of uterine bleeding in perimenopausal women

S. Djukanović, R. Al Daghistani, T. Gajšek

General Hospital Ptuj Dr. Jože Potrč, Gynaecological Department, Ptuj, Slovenia

SS-04

Hysteroscopy in the department of gynaecology and obstetrics Novo Mesto in the period from 2004 to 2006 – our experiences

A. Pišek, M. Gradecki

General Hospital, Department of Obstetrics and Gynaecology, Novo Mesto, Slovenia

SS-05

Hysteroscopic resection of small uterine septum improves implantation in IVF

T. Tomazevic, H. Ban Frangez, I. Virant-Klun, M. Ribic Pucelj, A. Vogler, B. Zorn, S. Drobic, E. Bokal Vrtacnik, L. Kermavner Bacer, B. Valentincic, J. Mivsek

University Clinical Centre, Department of Obstetrics and Gynaecology, Ljubljana Slovenia

SS-06

Endometrial ablation with thermal balloon

M. Ribič-Pucelj, B. Cjeticanin, B. Grulovič

University Clinical Centre. Department of Obstetrics and Gynaecology Ljubljana, Slovenia

SS-07

Efficacy of hysteroscopic resection of endometrium in the treatment of dysfunctional uterine bleeding

N. Brus, M. Ribič-Pucelj

General Hospital Celje, Department of Obstetrics and Gynecology, Celje, Slovenia University Clinical Centre, Department of Obstetrics and Gynecology, Ljubljana, Slovenia

SS-08

Incidence of malignant endometrial polyps in women in reproductive, perimenopausal and menopausal periods

E. Vrtačnik Bokal, M. Ribič-Pucelj, B. Cvjetičanin

University Clinical Centre Ljubljana, Department of Obstetrics and Gynaecology, Ljubljana, Slovenia

SS-09

Should asymptomatic endometrial polyps be resected?

B. Verdnik Golob

General Hospital Slovenj Gradec, Department of Gynecology and Obstetrics, Slovenj Gradec, Slovenia

SS-10

Laparoscopic supracervical hysterectomy – a treatment option for women with symptomatic uterine fibroids and adenomyosis

I. But, B. Žegura, M. Reljič, S. Rakić, M. Pakiž, M. Rebernik Milič, S. Ciglar S

Gynaecologic Clinic, University Clinical Centre Maribor, Maribor, Slovenia

SS-11**Laparoscopic myomectomies in General Hospital Celje in the years 2001 to 2006**K. Jakopič, V. Weber

General Hospital Celje, Department of Obstetrics and Gynaecology, Celje, Slovenia

SS-12**Our experience in laparoscopy in prepubertal girls**A. Štolfa, B. Požlep

University Medical Centre, Department of Obstetrics and Gynecology, Ljubljana, Slovenia

SS-13**Conservative vs. radical surgical treatment of ectopic pregnancy in women desiring further fertility**M. Ribic-Pucelj, S. Dobrecovic

Department of Obstetric and Gynecology, University Medical Centre Ljubljana, Ljubljana, Slovenia

SS-14**Incontinence surgery – towards minimal invasiveness**A. Lukanovič, M. Barbič

Department of Obstetrics & Gynaecology, University Clinical Centre Ljubljana

SS-15**Anterior Transobturator Mesh (ATOM) and/or Posterior Ischiorectal Mesh (PIRM) for correction of female pelvic organ prolapse and pelvic floor dysfunction**M. Lužnik

General Hospital Slovenj Gradec, Department of Gynecology and Obstetrics, Slovenj Gradec; Slovenia

SS-16**Laparoscopically assisted vaginal hysterectomy – our experiences**B. Cvjetičanin, B. Kopal, A. Omahen, M. Barbič, L. Meglič

University Clinical Centre, Department of Obstetrics and Gynecology, Ljubljana, Slovenia

SS-17**Laparoscopic supracervical hysterectomy with the use of LapLoop**M. Ribič-Pucelj, B. Kopal

University Clinical Centre, Department of Obstetrics and Gynecology, Ljubljana, Slovenia

SS-18**Laparoscopic uterine artery ligation for treatment of uterine fibroma**B. Kopal, M. Ribič-Pucelj

University Clinical Centre, Department of Obstetrics and Gynecology, Ljubljana, Slovenia

SS-19**Laparoscopic occlusion of ovarian vein for the treatment of pelvic congestion syndrome: Initial experience and clinical results**B. Kopal

University Clinical Centre, Department of Obstetrics and Gynecology, Ljubljana, Slovenia

FREE COMMUNICATIONS**TOPIC 1 : MISCELLANEOUS****FC-01****Laparoscopic treatment of non traumatic peritonitis of gynecological or extra-gynecological origin in women : a ten-year study**Elie Chouillard¹, Arnaud Fauconnier², Toufic Ata¹,Bernard Guyot², Jean-Charles Etienne¹, Georges Bader²,Eva Ghiles¹, Denis Heitz², Abe Fingerhut¹, Yves Ville²¹general Surgery Department Centre Hospitalier, Poissy, France,²obstetrics And Gynecology Department, Poissy, France**FC-02****Value of Transvaginal Hydrolaparoscopy in Infertility Evaluation.**Milan Reljic, Veljko Vlajsavljevic, Vida Gavric-Lovrec, Ksenija Rakic
Department of Reproductive Medicine and Gynecologic Endocrinology, Maribor Teaching Hospital, Maribor, Slovenia**FC-03****Oncologically safe robotic-assisted radical Hysterectomy technique for cervical cancer**Agnieszka Oleszczuk, Malgorzata Lanowska, Christhardt Köhler, Achim Schneider

Department of Gynecology, Charite University Hospital, Berlin, Germany

FC-04**Long term survival is possible after cytoreductive patients with peritoneal carcinomatosis of ovarian origin**

Elie Chouillard¹, Dany Elkhoury², Toufic Ata¹,
Arnaud Fauconnier², Abe Fingerhut¹

¹general Surgery Department, Centre Hospitalier, Poissy, France
²obstetrics and Gynecology Department, Poissy, France

FC-05**Experimental models to induce standardised adhaesions in the rat**

M. Wallwiener¹, T. K. Rajab¹, C. Wallwiener¹, C. Brochhausen²,
D. Wallwiener¹, B. Kraemer¹

¹University of Tuebingen, Tuebingen, Germany, ²University of Mainz, Mainz, Germany

FC-06**Different systems for standardized scoring of adhesions in the rat model**

B. Kraemer¹, C. Wallwiener¹, M. Wallwiener¹, C. Brochhausen²,
D. Wallwiener¹, T. K. Rajab¹

¹University of Tuebingen, Tuebingen, Germany, ²University of Mainz, Mainz, Germany

FC-07**Adhesion prophylaxis after laparoscopic myomectomy using a novel resorbable membrane consisting of D,L-Poly lactid (Supraseal®)**

B. Kraemer¹, M. Wallwiener¹, C. Wallwiener¹, C. Brochhausen²,
H. Hierlemann³, H. Planck³, D. Wallwiener¹, T. K. Rajab¹

¹University of Tuebingen, Tuebingen, Germany,
²University of Mainz, Mainz, Germany, ³ITV Denkendorf, Denkendorf, Germany

FC-08**Adhesion Prophylaxis using a Novel Resorbable Biomembrane consisting of D,L-Poly lactid (Supraseal) - Experimental results in the rat model**

T. K. Rajab¹, C. Wallwiener¹, M. Wallwiener¹, C. Brochhausen²,
H. Hierlemann³, H. Planck³, D. Wallwiener¹, B. Kraemer¹

¹University of Tuebingen, Tuebingen, Germany, ²University of Mainz, Mainz, Germany, ³ITV Denkendorf, Denkendorf, Germany

FC-09**Reduction in postoperative adnexal adhesion scores by a viscoelastic gel after laparoscopic gynecologic surgery: pilot study findings in women with mild and moderate preoperative adhesion scores**

Per Lundorff¹, Alan Johns², Michael Diamond³,
Jacques Donnez⁴, Philip Young⁵, Gere S. diZerega⁶,
Matthias Korell¹

¹Viborg Hospital, Viborg, Denmark, ²University of Texas Southwestern Medical Center at Dallas, Dallas, TX, United States,

³Wayne State University, Detroit, MI, United States,

⁴Universite Catholique de Louvain, Cliniques Universitaires Saint-Luc, Brussels, Belgium, ⁵University of California - San Diego

School of Medicine, San Diego, CA, United States, ⁶University of Southern California - Keck School of Medicine, Los Angeles, CA, United States, ⁷Department of Obstetrics and Gynecology, Klinikum Duisburg, Duisburg, Germany

FC-10**Lessons from embryology–anatomy of the urorectal septum explains the morphology and function of suspensory apparatus of female pelvic organs**

Michal Otcenasek, Ladislav Krofta, Jaroslav Feyerisl
UPMD, Prague, Czech Republic

TOPIC 2 : UROGYNECOLOGY**FC-11****Method of vaginal vault prolapse prevention during vaginal hysterectomy**

Anatoly Ishenko, Yury Chushkov, Oksana Gorbenko,
Alexander Slobodyanyuk

Moscow Medical Academy, Clinic of Obstetrics and Gynecology, Moscow, Russia

FC-12**Laparoscopic sacrocolpopexy to repair post hysterectomy vaginal vault prolapse. Our Experience in District General Hospital**

Munawar Hussain, Colin Prendergast, Jim Moohan

Altnagelvin Area Hospital, Londonderry, N.Ireland., United Kingdom

FC-13**Anterior Transobturator Mesh (ATOM) and/or Posterior Ischioanal Mesh (PIRM) for correction of female pelvic organ prolapse and pelvic floor dysfunction**Marijan Luznik

General Hospital Slovenj Gradec, Slovenj Gradec, Slovenia

FC-14**Comparison of treatment of urinary incontinence with transobturator tape in pre- and postmenopausal women**Andrea Lebre, Margarida Brandão, Manuela Montalvão, Bercina Candoso

Maternidade de Júlio Dinis, Porto, Portugal

FC-15**Management of ureteric fistulas. Literature review and our experience**Natasha Waters¹, Filipa Osorio¹, Brice Rodriguez¹, Arnaud Wattiez²¹IRCAD/EITS, Strasbourg, Alsace, France, ²Haute-pierre University Hospital, Strasbourg, Alsace, France**TOPIC 3 : HYSTEROSCOPY****FC-16****Laparoscopy and hysteroscopy - are there concerns?****Survey**Bavin Balakrishnan

Baby Memorial Hospital, Calicut, Kerala, India

FC-17**Effect of hysteroscopic examination on the outcome of IVF**V. Kopitovic, A. Trninic Pjevic, D. Budakov, M. Pjevic,

A. Bjelica, I. Bujas, D. Tabs

Clinical Center Novi Sad, University Department of Obstet and Gynecol, Novi Sad, Serbia

FC-18**Follow-up of women after first episode of postmenopausal bleeding and endometrial thickness > 4 mm**Anne Timmermans¹, Lena C van Doorn³, Brent C Opmeer¹, Ben WJ Mol¹¹Academic Medical Centre, Amsterdam, Netherlands, ²University Medical Centre, Utrecht, The Netherlands, ³Erasmus Medical Centre, Rotterdam, The Netherlands**FC-19****Our experience after 15 years of endometrectomy: Should it be really bannished?**Alicia Ubeda, Ramón Labastida, Fausto Astudillo

Institut Universitari Dexeus, Barcelona, Spain

FC-20**The use of bipolar energy and saline in hysteroscopic surgery: a new and safe approach to a series of 45 patients**S. Chandakas, E. Salamalekis¹Attikon University Hospital, Athens, Greece, ²Iaso Gynaecological Hospital, Athens, Greece**FC-21****Our outcomes in 29.071 office hysteroscopies and septate uteri**Fausto Astudillo, Ramon Labastida, Alicia Ubeda

Intitut Universitari Dexeus, Barcelona, Spain

FC-22**Abnormal Fetal Presentations After Hysteroscopic Metroplasty**A. Loddo, B. Piras, E. Silvetti, R. Etzi, A.M. Paoletti, G.B. Melis

Division of Gynecology, Obstetrics and Pathophysiology of Human Reproduction, Department of Surgery, Maternal-Fetal Medicine and Imaging, University of Cagliari, Cagliari, Italy

FC-23**Atypical endometrial polyps: is resectoscopic treatment a safe option?**Federica Scrimin, Francesco Mangino, Sara Sacco,

Giovanni Di Lorenzo, Secondo Guaschino

Department of Obstetrics and Gynecology, Istituto di Ricovero e Cura a Carattere Scientifico Burlo Garofolo, University of Trieste, Trieste, Italy

TOPIC 4: NEW DEVELOPMENTS

(instruments, techniques and procedures) 1

FC-25**Management of ovarian cysts via laparoscopic approach through one ancillary trocar**Metin Capar, Osman Balci, Ali Acar, Rengin Karatayli,

Mehmet Cengiz Colakoglu

Department of Obstetrics and Gynecology, Meram Medicine Faculty, Selcuk University, Konya, Turkey

FC-26**Nostalgia to Ovarian Wedge Resection in PCOS: a Modified Selective Laparoscopic Technique**Alaa El Din El Guindy

Ain Shams University, Cairo, Egypt

FC-27**The Role of Laparoscopy in Autologous Ovarian Stem Cells Retrieving in Patients With Premature Ovarian Failure**Andrej Vogler¹, Irma Virant Klun¹, Helena Meden Vrtovec¹, Antonin Bukovsky²¹University Medical Centre, Department of Obstetrics and Gynaecology, Ljubljana, Slovenia, ²Laboratory of Development, Differentiation and Cancer, University of Tennessee Graduate School of Medicine, Knoxville, United States**FC-28****A new Narrow Band Imaging Endoscopic System for the Detection of Surface Pathology including Endometriosis**S. Chandakas, E. Salamalekis¹Attikon University Hospital, Athens, Greece, ²Iaso Gynecological Hospital, Athens, Greece**FC-29****Laparoscopic reversible occlusion of the uterine arteries in myomectomy**G Gorchev, S Tomov

Medical University, Pleven, Bulgaria

FC-30**Loop in progressive tension technique for laparoscopic myoma enucleation**Fiorenzo De Cicco, Piero Carfagna, Carlo De Cicco,

Alessandro Caruso

Università Cattolica del Sacro Cuore di Roma, Rome, Italy

FC-31**Experimental studies of peroral transgastric abdominal surgery: tubectomy, hysterectomy. Is it next minimal invasive approach?**S. Chandakas, C. Feretis

Iaso Gynecological Hospital, Athens, Greece

**TOPIC 5: NEW DEVELOPMENTS
(instruments, techniques and procedures) 2****FC-32****Hysteroscopic sterilization in an outpatient setting**Miriam Mints, Sonia Andersson

Department of Clinical Science, Division of Obstetrics and Gynaecology Karolinska Institutet at Huddinge University Hospital, Stockholm, Sweden

FC-33**Incorrect position of Essure inserts after successful bilateral placement**S. Veersema¹, M.B.E. Gerritse¹, M.P.H. Vleugels², H.A.M. Brölmann³¹St. Antonius Hospital, Nieuwegein, Netherlands, ²Rivierenland Hospital, Tiel, Netherlands, ³VU University Medical Centre, Amsterdam, The Netherlands**FC-34****Essure® Implants for Tubal Sterilisation in France**

I. Grosdemouge, J.B. Engrand, C. Dhainault, H. Martigny,

J. Thevenot, V. Villefranque, P. Lopez, P. Panel

Ch Versailles, Le Chesnay, France

FC-35**Factors Predicting Failure in the Placement of Essure Micro-Inserts for Tubal Sterilisation: Prospective study of 495 Patients**

I Grosdemouge, J.B Engrand, F Marchand, P Lopez, C Dhainault,

J Thevenot, V Villefranque, P Panel

Ch Versailles, Le Chesnay, France

FC-36**Office hysteroscopic sterilization using the Essure micro-insert device**M. Martinho, A. Reynolds, A. Melo, M. Pires

Hospital S.João, Porto, Portugal

FC-37**Hysteroscopic sterilisation (Essure)–evaluation of the first 115 cases**Jaana Fraser, Sirpa Ikonen

North Karelian Central Hospital, Joensuu, Finland

FC-38**Essure: Our experience**

Francesco Mangino, Federica Scrimin, Giovanni Di Lorenzo, Sara Sacco, Secondo Guaschino
IRRCS Burlo Garofolo, Dipartimento di Ginecologia ed Ostetricia, Trieste, Italy

FC-40**Essure sterilisation: Unfortunately one pregnancy**

Marlies Bongers, Josje Langeveld, Carolien Koks
Maxima Medical Centre, Veldhoven, The Netherlands

TOPIC 6: NEW DEVELOPMENTS (instruments, techniques and procedures) 3

FC-41
**Enhancing Laparoscopic Skills with the LTS3e:
A Computerized Hybrid Physical Reality Simulator**

Liselotte Mettler¹, Ayodapo Samuel Soyinka¹,
Dattatraya Gopalghare¹, Ivo Meinhold¹, Harrith Hasson²
¹University of Kiel, Dept. of OB/GYN, Kiel, Germany, ²University of New Mexico, Albuquerque, New Mexico, United States

FC-42
**Subaracnoidal anesthesia by l-bupivacaina and sufentanil
In gas-less laparoscopy by “gas-lup” (abdominal lifting device).
Preliminary study**

N.Gasbarro, F.Lucke, E.Marino, N.Annunziata
Asl Naples 2, Pozzuoli Hospital, Uoc Obstetric and Gynaecology,
Uoc Anaesthetic and Resuscitation, Naples, Italy

FC-43
**Thermal Fusion-Evaluating key parameters in a human
in vivo model**

Christian W Wallwiener¹, Markus Wallwiener¹, Michael Menger²,
Wolfgang Zubke¹, Keith B Isaacson³
¹Department of OB/GYN, University of Tuebingen, Germany,
²Department of Experimental Surgery, University of Homburg,
Germany, ³Minimally Invasive Gynecologic Surgery and Infertility,
Newton-Wellesley Hospital, Harvard Medical School, Boston,
United States

FC-44
**Pulsative index after enhancement of intravenous contrast
may discriminate endometrial polyps and cancer.**

Marit Lieng, Erik Qvigstad, Gunn Fallås Dahl, Olav Istre
Ullevål University Hospital, Oslo, Norway

FC-45**Should asymptomatic endometrial polyps be resected?**

B. Verdnik Golob
General Hospital Slovenj Gradec, Slovenj Gradec, Slovenia

FC-46**A new method for local anaesthesia by hysteroscope**

Michel Vleugels
Riverland Hospital, Tiel, The Netherlands

FC-47**Comparison Ovabloc vs. Essure Hysteroscopic Sterilization**

Andreas L. Thurkow
St Lucas Andreas Ziekenhuis Amsterdam, The Netherlands

FC-48
**Hysterosonography to Verify Hysteroscopic Tubal Sterilisation
with Essure®**

Juan Berrocal, Béatrice Ostyn, Denis Thoumas, Gerome Lucas
Clinique De L'europe, Rouen, France

TOPIC 7: THE UTERUS

FC-49**Prevalence of Mullerian Anomalies in Patients with Infertility**

Daniel Tutunaru, Dan Ioan Ulmeanu, Bogdan Alexandru,
Ioana Luiza Condulescu
Elias Emergency Hospital, Bucharest, Romania

FC-50**Outcome following Laparoscopic Supracervical Hysterectomy.**

Marit Lieng¹, Erik Qvigstad¹, Olav Istre¹, Anton Langebrekke¹,
Karen Ballard²
¹Ullevål University Hospital, Oslo, Norway, ²University of Surrey,
Guildford, United Kingdom

FC-51**A multicentered series of 750 daycase laparoscopic subtotal hysterectomies in the UK and Greece : the new approach to hysterectomy**S. Chandakas², N. Hill¹, J. Erian¹¹Princess Royal University Hospital, London, United Kingdom, ²Iaso Gynaecological Hospital, Athens, Greece**FC-52****A Safe Technique to Prevent the Complications of Laparoscopic Hysterectomy: 1120 Cases Performed by a Single Surgeon**Yucel Karaman¹, Mehmet Ali Akman², Husamettin Uslu², Cunevt Ozcan²¹Centre Hospitalier Interregional Edith Cavell, Bruxelles, Belgium, ²Kadir Has University, Metropolitan Florence Nightingale Hospital, Istanbul, Turkey**FC-53****Finhyst 2006—early results from a national hysterectomy study from 53 hospitals**Tea Brummer¹, Jari Sjoberg¹, Jyrki Jalkanen¹, Paivi Harkki¹, Eija Tomas², Jaana Fraser³, Anna-Mari Heikkinen⁴, Minna Kauko⁵, Ulla Puistola⁶, Juha Makinen⁷¹Helsinki University Central Hospital, Department of Obstetrics and Gynaecology, Helsinki, Finland, ²Tampere University Central Hospital, Tampere, Finland, ³North Carelia Central Hospital, Joensuu, Finland, ⁴Kuopio University Hospital, Kuopio, Finland, ⁵Suomen Terveystalo, Helsinki, Finland, ⁶Oulu University Hospital, Oulu, Finland, ⁷Turku University Central Hospital, Turku, Finland**FC-54****Randomized controlled trials comparing vaginal and laparoscopic routes of hysterectomy: why their conclusions might be flawed?**Horace Roman¹, Thomas C Hulsey², Loic Marpeau¹¹Department of Gynecology and Obstetrics, Rouen, France, ²Department of Pediatric Epidemiology, MUSC, Charleston SC, United States**FC-55****Hydrothermal ablation (HTA) versus Transcervical Endometrial Resection (TCRE) for the treatment of recurrent menorrhagia**R. Rui, S. Fantinato, F. Manganelli, G. Ambrosini, E. Spiller, P. Litta
University of Padua, Padua, Italy**FC-56****Comparison of theatre time, complication rates and short-term outcomes for hydrothermal ablation, microwave endometrial ablation and Novasure endometrial ablation**Jane Allen, Andreas Huber, Helen Mcmillan, Kevin Phillips
Castle Hill Hospital, Hull, United Kingdom**TOPIC 8: ENDOMETRIOSIS****FC-58****Pre-surgical diagnosis of posterior Deep Infiltrating Endometriosis (DIE)**

Francesca Milano, Stefano Angioni, Francesca Ariu, Valerio Mais, Gian Benedetto Melis

Division of Gynecology, Obstetrics and Pathophysiology of Human Reproduction, Department of Surgery, Maternal-Fetal Medicine, and Imaging, University of Cagliari, Cagliari, Italy

FC-59**Laparoscopic findings and deep endometriosis mapping with “water filled balloon” sonovaginography new technique**Fiorenzo De Cicco¹, Piero Carfagna¹, Carlo De Cicco², Anastasia Ussia¹, Philippe Koninckx², Alessandro Caruso¹¹Università Cattolica del Sacro Cuore di Roma, Roma, Italy, ²Katholieke Universiteit Leuven, Leuven, Belgium**FC-60****Endorectal ultrasound accuracy in the diagnosis of rectal endometriosis infiltration depth**

Horace Roman, Khaled Kouteich, Alexis Gromez, Patrick Hochain, Benoit Resch, Jean Jacques Tuech, Jean Christophe Sabourin, Loic Marpeau

University Hospital Rouen, Rouen, France

FC-61**Management of deep endometriosis**E. Spiller, M. Bonora, C. Saccardi, S. Fantinato, E. Cosmi, P. Litta
Department of Gynecological Science and Human Reproduction, Padua, Italy

FC-62**Laparoscopic management of bowel perforation following CO2 laser excision of rectovaginal endometriosis**

Carlo De Cicco², Maria Lorena Ret Davalos², Jasper Verguts¹, André D'Hoore¹, Philippe Koninckx¹

¹Katholieke Universiteit Leuven, Leuven, Belgium, ²Università Cattolica del Sacro Cuore di Roma, Roma, Italy

FC-63**Extensive abdominal lavage is necessary following bowel perforation during surgery for deep endometriosis**

Carlo De Cicco², André D'Hoore¹, Philippe Koninckx¹

¹Katholieke Universiteit Leuven, Leuven, Belgium, ²Università Cattolica del Sacro Cuore di Roma, Roma, Italy

FC-64**Laparoscopic surgical treatment of urinary tract endometriosis**

Liliana Mereu, Paola Pomini, Stefano Landi, Andrea Fiaccavento, Fabrizio Barbieri, Luca Minelli

Ospedale Sacro Cuore, Negrar, Verona, Italy

FC-65**Conservative management of ureteral lesions following laparoscopic gynaecological surgery**

Carlo De Cicco, Ben Van Cleynenbreugel, Anastasia Ussia, Arnaud Wattiez, Enda Mc Veigh, Philippe Koninckx

¹Katholieke Universiteit Leuven, Leuven, Belgium, ²Università Cattolica del Sacro Cuore di Roma, Roma, Italy

FC-66**Laparoscopic dissection of pelvic nerves in patients with deep infiltrating endometriosis**

Eugenio Volpi, Annamaria Ferrero, Piero Sismondi

Department of Gynecologic Oncology University of Torino-Mauriziano Hospital, Torino, Italy

VIDEO PRESENTATIONS**TOPIC 1 : ENDOMETRIOSIS / ONCOLOGY****V-01****Reconstructive Surgery for Ureteral Endometriosis**

Masaaki Andou, Nobuko Kojima, Yoshiaki Ota

Kurashiki medical center, Kurashiki City, Okayama Pre., Japan

V-02**Laparoscopy. A feasible approach to treatment of multi-organ endometriosis**

Natasha Waters¹, Filipa Osorio¹, Brice Rodriguez¹, Arnaud Wattiez²

¹IRCAD/EITS, Strasbourg, Alsace, France, ²Hautepierre University Hospital, Strasbourg, Alsace, France, ³CMCO, Hôpitaux Universitaires de Strasbourg, Strasbourg, Alsace, France

V-03**Retroperitoneal anatomy: laparoscopic lymphadenectomy**

Metin Capar

Selcuk University Faculty of Medicine Obstetrics and Gynecology Department, Konya, Turkey

V-04**Laparoscopic para-aortic lymphadenectomy: our experience**

Eugenio Volpi, Annamaria Ferrero, Piero Sismondi

Department of Gynecologic Oncology University of Torino-Mauriziano Hospital, Torino, Italy

V-05**Laparoscopic Vascular Injury Repair In Retroperitoneal Lymphadenectomy**

Masaaki Andou, Nobuko Kojima, Yoshiaki Ota

Kurashiki Medical Center, Kurashiki City, Okayama Pre., Japan

V-06**TLRT Total Laparoscopic Radical Trachelectomy- With The Reanastomosis Of The Accidentally Injured Uterine Artery**

Masaaki Andou, Nobuko Kojima, Yoshiaki Ota

Kurashiki Medical Center, Kurashiki City, Okayama Pre., Japan

TOPIC 2 : UTERINE PATHOLOGY**V-07****Dangerous development of pregnant noncommunicating rudimentary uterine horn presenting placenta percreta**

Horace Roman, Emanuelle Henriet, Alain Diguët, Joel Zanati,

Bernard Lebreton, Jean Christophe Sabourin, Loïc Marpeau

University Hospital Rouen, Rouen, France

V-08**A one-step-laparoscopic myomectomy method for multiple leiomyomas- including submucosal fibroids**

Hisato Oku, Hiroyuki Kanao, Yoshihiro Takaki, Nobuko Kojima, Masaaki Andou
Department of Gynecology Kurashiki Medical Center, Kurashiki City/Okayama prf., Japan

V-09**Technique of laparoscopic hysterectomy in virgo patient**

Sara Fantinato, Chiara Esposito, Pietro Salvatore Litta
Gynaecological sciences and human reproduction, Padova, Italy

V-10**Training model for a TLH (total laparoscopic hysterectomy)-smoothing away difficulties by understanding the difference between laparotomic and laparoscopic anatomy**

N. Kojima, Y. Oota, Y. Takaki, H. Kanao, M. Andou
Kurashiki Medical Center, Kurashiki, Okayama, Japan

V-11**A new technique in laparoscopic hysterectomy: laparoscopic hysterectomy performed through one ancillary trocar**

Metin Capar
Selcuk University Faculty of Medicine Obstetrics and Gynecology Department, Konya, Turkey

TOPIC 3 : MISCELLANEOUS**V-12****Dysmenorrhoea leading to an acute abdomen: three case reports of urogenital malformations**

Corinne Neukomm, Irène Dingeldein, Michael D. Mueller
University Hospital, Berne, Switzerland

V-13**Laparoscopic bilateral gonadectomy for pure gonadal dysgenesis (Swyer's Syndrome)**

Andrea Lebre¹, Susana Fraga¹, Eugénia Fernandes¹, Teresa Oliveira¹, Carlos Enes², José Cidade-Rodrigues², Paula Ramôa¹
¹Maternidade de Julio Dinis, Porto, Portugal, ²Hospital Maria Pia, Porto, Portugal

V-14**The comparison of pelvic tuberculosis by imaging techniques before and after treatment**

Metin Capar
Selcuk University Faculty of Medicine Obstetrics and Gynecology Department, Konya, Turkey

V-15**Laparoscopic sacrocolpopexy vs. Prolift in treatment of genital prolapses**

Alexander Popov, Murad Ramasanov, Gagik Shaginian, Tatiana Manannikova, Anton Fedorov, Boris Slobodianiouk
Moscow Regional Research Institute of Obstetrics and Gynecology, Moscow, Russia

V-16**Different types of tension free vaginal tapes (tvt, tvt-o) in treatment of stress incontinence**

Alexander Popov, Anton Fedorov, Gagik Shaginian, Murad Ramasanov, Tatiana Manannikova, Boris Slobodianiouk
Moscow Regional Research Institute of Obstetrics and Gynecology, Moscow, Russia

POSTER PRESENTATIONS**TOPIC 1 : ADNEXA****P-01****The value of surgical energies applying on ovaries in infertiled women with ovarian mass**

Zuev Vladimir, Ishenko Anatoly, Djibladze Tea, Lipman Andrey
Moscow Medical Academy, Moscow, Russia

P-02**Changes in potential of fibrinolysis and coagulation in adnexa laparoscopic surgery**

M^a Angeles Martínez-Zamora¹, Francisco Carmona¹, Juan Carlos Reverter², Dolors Tàssies², Juan Balasch¹
¹Institut Clínic de Ginecologia, Obstetrícia i Neonatologia. Hospital Clínic de Barcelona, Barcelona, Spain, ²Servei d' Hemoteràpia i Hemostàsia. Hospital Clínic de Barcelona, Barcelona, Spain

TOPIC 2: CONGENITAL ABNORMALITIES

P-03

Endoscopic modification of David's Procedure: correction of Mayer-Rokitansky SyndromeNedžad Nakas, Srećko Simić, Jasmina Gutić

General Hospital "Prim. dr. Abdulah Nakas", Sarajevo, Bosnia and Herzegovina

TOPIC 3 : ENDOMETRIOSIS

P-04

Is the rectovaginal location an intermediate stage of rectal endometriosis?Horace Roman, Alexis Gromez, Khaled Kouteich, Benoit Resch, Patrick Hochain, Nolwenn Maroteau-Pasquier, Geoffroy Pasquier, Jean Jacques Tuech, Michel Scotte, Loic Marpeau

University Hospital, Rouen, France

P-05

Endometriosis of the abdominal wall in postoperative abdominal scarsPanagiotis Tsikouras, Vasileios Liberis, Georgios Galazios, Nikoleta Koutlaki, Xenophon Grapsas, Alexis Savidis, Georgios Maroulis

Department of Obstetrics and Gynecology with Democritus University of Thrace, Alexandroupolis, Evros/Thrace, Greece

P-06

Endometriomas of the abdominal wall and pelvic endometriosis after caesarean sectionVasileios Liberis, Panagiotis Tsikouras, Georgios Galazios, Thomas Sibbas, Xenophon Grapsas, Stephanos Zervoudis, Georgios Maroulis

Department of Obstetrics and Gynecology with Democritus University of Thrace, Alexandroupolis, Evros/Thrace, Greece

P-07

Bilateral cornual abscess after endometrial ablation following Essure® sterilizationJavier Del Pozo, Teresa Gómez

Centro Médico Teknon, Barcelona, Spain

P-08

Gene expression study of differences between ectopic and eutopic endometriumTina Šmuc¹, Christina Guggenberger², Martina Ribič-Pucelj³, Jasna Šinkovec³, Bettina Husen⁴, Hubert Thole⁴, Pieter Houba⁴, Claudia Thaete⁴, Jerzy Adamski², Tea Lanišnik Rižner¹¹Institute of Biochemistry, Medical Faculty, University of Ljubljana, Ljubljana, Slovenia, ²GSF-National Research Center for Health and Environment, Institute of Experimental Genetics, Genome Analysis Center, Neuherberg, Germany, ³Department of Obstetrics and Gynecology, University Medical Centre, Ljubljana, Slovenia, ⁴Solvay Pharmaceuticals Research Laboratories, Hannover, Germany and Weesp, The Netherlands

P-09

Chronic pelvic pain in patients with endometriosis. Relationships between symptoms, sites and severity of the lesionsFrancesca Ariu, Stefano Angioni, Francesca Milano, Stefano Floris, Valerio Mais, Gian Benedetto Melis

Division of Gynecology, Obstetrics and Pathophysiology of Human Reproduction, Department of Surgery, Maternal-Fetal Medicine, and Imaging, University of Cagliari, Cagliari, Italy

TOPIC 4 : GYNAECOLOGICAL ONCOLOGY

P-10

Histological features of endometrium in women with breast cancerKenan Drljević, Masic Salko, Jasminka Gutić, Irdina Drljević, Nihad Ribić, Faruk Turkic

General Hospital Sarajevo, Sarajevo, Bosnia–Herzegovina

P-11

Radical vaginal trachelectomy and laparoscopically, pelvic lymphadenectomy to prevent fertility in young women with Early Cervical CancerN Badzakov, N Pancevski, B Sardzovski, A Krstevski

Special Hospital for Ob/Gyn., "Mala Bogorodica-Sistina", Skopje, Macedonia

P-12

Laparoscopic restaging of ovarian granulosa cell tumor: 3 cases reportEugenio Volpi, Annamaria Ferrero, Elisa Cassina, Francesca Pastorino

Department Gynecologic Oncology University of Torino-Mauriziano Hospital, Torino, Italy

TOPIC 5 : HYSTERECTOMY

P-13

Laparoscopic hysterectomy with enlarged uterus with primary uterine artery coagulation

Horace Roman, Joel Zanati, Ludovic Friederich, Benoit Resch, Khaled Kouteich, Eric Lena, Loic Marpeau
University Hospital, Rouen, France

P-14

Cervical stump extirpation via laparoscopic access

Visotsky Maxim, Sharma shivani
MGMSU, Moscow, Russia

P-15

Minimally invasive surgery for benign uterine pathology: new trend in private hospital for obstetrics and gynecology, Skopje, Macedonia

N Badzakov, N Pancevski, J Kostadinov, M Temelkovski, B Sardzovski, B Matevska, B Velkovski
Special Hospital for Ob/Gyn., Mala Bogorodica-Sistina, Skopje, Macedonia

TOPIC 6 : HYSTEROSCOPY

P-16

Hysteroscopic outcomes in our clinic: 5 years experience

Metin Capar, Osman Balci, Ali Acar, Rengin Karatayli, Mahmut Nedim Cicek, Mehmet Cengiz Colakoglu
Department Of Obstetrics And Gynecology, Meram Medicine Faculty, Selcuk University, Konya, Turkey

P-17

Hysteroscopic metroplasty: Versapoint® versus classical technique

E Spiller, C Esposito, R Rui, S Fantinato, E Cosmi, P Litta
Department of Gynecological Science and Human Reproduction, Padua, Italy

P-18

A new method to increase success rate and patient acceptance of Essure® hysteroscopic tubal sterilisation

Sergine Heckel
CH st Joseph st Luc, Lyon, France

P-19

Hysteroscopic sterilization with Essure® in outpatient management

Ana Sobral
Centro Hospitalar do Alto Minho, Viana do Castelo, Portugal

P-20

Concomitant intrauterine procedures and placement of Essure® micro-inserts for tubal sterilisation

I Grosdemouge, A Oppenheimer, P Panel
Ch Versailles, Le Chesnay, France

P-21

Is hysteroscopy safe in everyday practice?

Gediminas Mecejus, Egle Bauzyte
Vilnius University Clinic of Obstetrics and Gynecology, Vilnius, Lithuania

P-22

The efficacy of transvaginal ultrasound examination in pathology in the cavity of the uterus

Egle Bauzyte, Gediminas Mecejus
Vilnius University Clinic of Obstetrics and Gynecology, Vilnius, Lithuania

P-23

Concerns on unilateral placement of Essure® Device

Alicia Ubeda, Olga Salas, Pere Barri
Institut Universitari Dexeus, Barcelona, Spain

P-24

Initial experience, of a public hospital, using the Essure® hysteroscopic tubal sterilization device, in an outpatient setting

M. Rodrigues, M. Osório, M. Barbosa, G. Fornelos, P. Santos, A. Barbosa
Vila Nova de Gaia Hospital Center, Vila Nova de Gaia, Oporto, Portugal

P-25

Uterine hemangioma: an unusual hysteroscopic finding

Margarida Brandão, Manuela Leal, Andrea Lebre, Maria Sampaio, Gabriel Madureira, Umbelina Rodrigues, Manuel Rodrigues
Maternidade de Júlio Dinis, Porto, Portugal

P-26**Endometrial calcifications: a case report**

Susana Carvalho, Andrea Lebre, Sónia Sousa, Manuela Leal
Maternidade de Júlio Dinis, Porto, Portugal

TOPIC 7 : IMAGING

P-27**The role of intraoperative ultrasonography in gynecologic surgery as an efficient fibroid detection method**

Cleonice Battista¹, Maria Isabella Sereni¹, Corrado Terranova¹,
Beniamino Sadun¹, Ester Cafà¹, Elettra Marullo¹, Marzio A. Zullo¹,
Ettore Vulcano¹, Ludovico Muzii¹, Roberto Angioli¹,
P Benedetti Panici²

¹Università Campus BioMedico di Roma, Rome, Italy, ²Università
La Sapienza, Rome, Italy

P-28**Uterine fibroids and the diagnostic power of ultrasonography**

Cleonice Battista¹, Maria Isabella Sereni¹, Corrado Terranova¹,
Beniamino Sadun¹, Ester Cafà¹, Elettra Marullo¹, Marzio A. Zullo¹,
Ettore Vulcano¹, Ludovico Muzii¹, Roberto Angioli¹,
P Benedetti Panici²

¹Università Campus Biomedico di Roma, Rome, Italy, ²Università
La Sapienza, Rome, Italy

P-29**Adequate investigation of meno- and metrorrhagia**

Kim Hauge, Seth Granberg
University Hospital of Northern Norway, Tromsø, Norway

TOPIC 8 : NEW DEVELOPMENTS
(instruments, techniques and procedures)**P-30****Holoprosencephaly: A rare case of abnormal findings during transcervical embryoscopic imaging**

Minas Paschopoulos, Lazaros G Lavasidis, Thomas Vrekoussis,
Fani Grozou, Nikolaos Plachouras, Iordanis Navrozoglou,
Eleftherios N Meridis, Constantina Scopa, Nikolaos Dalkalitsis,
Evangelos Paraskevaidis
University of Ioannina/Medical School, Ioannina, Epirus, Greece

P-31**Siamese twins: a rare case of abnormal findings during transcervical embryoscopic imaging**

Minas Paschopoulos, Thomas Vrekoussis, Lazaros G Lavasidis,
Eleftherios N Meridis, Fani Grozou, Nikolaos Plachouras,
Iordanis Navrozoglou, Nikolaos Dalkalitsis, Evangelos Paraskevaidis
University of Ioannina/Medical School, Ioannina, Epirus, Greece

P-32**Optimising the feasibility of outpatient hysteroscopic sterilisation (Essure®) in an outpatient ‘office’ setting**

Vandana Dhingra, Justin Clark
Birmingham women's hospital, Birmingham, United Kingdom

TOPIC 9 : OFFICE ENDOSCOPY

P-33**New laser techniques in infertile women: diagnosis and treatment within office cervico- and hysteroscopy**

Zuev Vladimir, Djibladze Tea, Nisimova Irina
Moscow Medical Academy, Moscow, Russia

P-34**Transvaginal endoscopy (TVE) - what is the real significance of “subclinical” lesions?**

T. Mardesic
Sanatorium Pronatal, Prague 4, Czech Republic

P-35**The role of sonohysterography in infertile women**

Hubert Huras, Alfred Reron, Kazimierz Was
Jagiellonian University, Krakow, Poland

P-36**Mammary Ductoscopy: comparison of images**

Fausto Astudillo, Carmen Ara, Rafael Fábregas, Alicia Ubeda,
Ramón Labastida
Institut Universitari Dexeus, Barcelona, Spain

P-37**Essure® Hysteroscopic sterilization—initial experience**

M Singh, A Baxter, M Connor
Royal Hallamshire Hospital, Sheffield, United Kingdom

P-38**Bilateral cornual abscess after endometrial ablation following Essure® sterilization**

Nicoline Jansen¹, Michel Vleugels², Kirsten Kluivers¹, Mark Vierhout¹

¹Radboud University Nijmegen Medical Centre, Nijmegen, The Netherlands, ²Rivierenland Hospital, Tiel, The Netherlands

TOPIC 10 : MISCELLANEOUS

P-40**Minimally invasive gynaecological surgery in alexithymic patients**

Cleonice Battista¹, Ester Cafà¹, Maria Isabella Sereni¹, Elettra Marullo¹, Ludovico Muzii¹, Marzio A. Zullo¹, Ettore Vulcano¹, Corrado Terranova¹, Roberto Angioli¹, P Benedetti Panici², Rosa Bruni¹

¹Università Campus Biomedico di Roma, Rome, Italy, ²Università La Sapienza, Rome, Italy

P-41**Early complications in patients with pelvic organs prolapse following surgery with the use of the Prolift system-preliminary report**

Malgorzata Gorzala, Jacek Szymanski, B. Pawel Siekierski, Piotr Kukulski, Maciej Pliszkiwicz

St. Sophia Specialist Hospital in Warsaw, Warsaw, Poland

TOPIC 11 : REPRODUCTIVE SURGERY

P-42**Transvaginal endoscopy in the investigation of the infertile couple**

A. Trninic Pjevic, V. Kopitovic, D. Budakov, M. Pjevic, A. Bjelica, I. Bujas, D. Tabs

Clinical Center Novi Sad, University Department of Obstet and Gynecol, Novi Sad, Serbia

P-43**Laparoscopic ovarian drilling as a treatment in young adult women with polycystic ovarian syndrome resistant to clomiphene citrate therapy**

Aristotelis Apostolides, Ioannis Stamatellos, Demetrios Athanatos, George Pados, John Bontis

Aristotle University of Thessaloniki, First Academic Department of Obstetrics and Gynaecology, Papageorgiou General Hospital, Thessaloniki, Greece

P-44**Hysteroscopic myomectomy as a successful technique in reproductive surgery**

Yuriy Vdovichenko, Dmitry Ledin

National Medical Academy of Postgraduate Education, Kiev, Ukraine

P-45**Hysteroscopy In Infertile Patients To Evaluate The Quality Of The Endometrium**

Alessandro Santi, Dorothea Wunder, Luigi Raio,

Niklaus Bersinger, Michael David Mueller

University Hospital, Berne, Switzerland

P-46**The introduction of fertiloscopy (transvaginal hydrolaparoscopy) in North-east Romania. An initial clinical experience**

Razvan Socolov¹, Antoine Watrelot², Stefan Butureanu¹, Cezar Rotaru¹, Demetra Socolov¹

¹Dept Obstetrics and Gynecology, Iasi University of Medicine, Iasi, Romania, ²CRES, Lyon, France

TOPIC 12 : UROGYNECOLOGY

P-47**Laparoscopic colposuspension—is there still place for it?**

Matija Barbic

Department Obstetrics and Gynecology, Ljubljana, Slovenia

P-48**Long-term results of transvaginal Burch operation for stress urinary incontinence: 5 year experience**

Metin Capar, Osman Balci, Ali Acar, Cetin Celik,
Rengin Karatayli

Department of Obstetrics and Gynecology, Konya, Turkey

P-49**Vaginal surgery with mesh in treatment of the vaginal prolapse in our hospital**

Maria Josefa Martínez-Payá, Maria Rita Espejo Catena,
Fernando Guzman Naranjo De la Puerta

Hospital de la Ribera, Alzira - Valencia, Spain
